

Career Voyage Price List 2010

Career Voyage

Step 1: Select an edition

Web Access Edition

The Web Access edition is used over the internet. It does not require installation. Career Voyage can be used on any computer connected to the internet from any site (no site restrictions) or location (home, school, work etc.).

Network CD Edition

The Network edition is installed on your organisation's network by your IT department. Career Voyage is installed on one server and used from any computer connected to that server from any site (no site restrictions).

Desktop CD Edition

The Desktop edition is installed on, and used from, one computer only.

Step 2: Select a licence

Licences are governed by a set maximum number of clients/students able to use Career Voyage per 12 month annual subscription period.

Licence Information

Career Voyage & Career Compass

JiIG-CAL Australia provides high quality software to facilitate effective career planning and development. Career Voyage is a career guidance tool carefully designed to be used in association with an Accredited career practitioner. Career Compass is career exploration software for 12—14 year old students.

Customer Support

JiIG-CAL provides Professional and Technical support. Support is included with all licences at no additional charge. Please contact us if you require assistance.

Licences

Career Voyage and/or Career Compass licence entitles you to the program, in the manner prescribed by your Edition, for a period of one year, with no more than the maximum number of clients prescribed by your Licence.

Licence Subscription

Licences are on an annual subscription basis. For Career Voyage, the First Year Licence Subscription is payable only in the first year. All customers are automatically invoiced when their annual subscription becomes due. Continued use of any version of Career Voyage and/or Career Compass is contingent on payment of the annual subscription.

Updates

Career Voyage and Career Compass are updated annually and a new version is released to all customers at the commencement of each academic year. For Career Voyage Network & Desktop users, you will be able to download the software from www.jiig-cal.com.au. If you do not have access to the internet please contact us to send out software to you.

Career Voyage Accreditation Requirement

It is a formal condition that all persons administering Career Voyage with clients/students become JiIG-CAL Accredited prior to using the program, by completing a one day Accreditation Training Workshop. It is the responsibility of the organisation holding the Career Voyage licence to ensure only Accredited persons administer Career Voyage. Please contact us for more information.

Licence Agreement

A copy of the Licence Agreement is mailed/emailed to all customers with the release of each new year's version. The Licence Agreement is also included in the User Manual for Career Advisers. The Agreement is binding and states all conditions of your Career Voyage and/or Career Compass licence. If you have any questions about the Agreement please contact us.

How to Order

Career Voyage and Career Compass can be ordered by completing an Order Form.
